Easter Egg Hunt

BY MARGARET E. O'KELLEY

The morning of April 12, 2003 was quiet and peaceful, with a slight chill in the air. All of a sudden you heard the yelling and the screaming, then you saw the snatching and the grabbing followed by the laughter and the giggles, the Huron Township Parks and Recreation Commission Annual Easter Egg Hunt had begun.

Hundreds of children were in attendance, with ages ranging from one to ten. There was a prize in each egg plus 1st, 2nd and 3rd place Easter baskets were awarded in each age division. The winners of the baskets are listed as follows: 1 and 2 year olds; 1st Frank Davis, 2nd Parker Zavodsky, 3rd Jamison Baker. 3 and 4 year olds; 1st Andrew John Colette, 2nd McKayla Chont, 3rd Timmy Huziak. 4 and 5 year olds; 1st Kyle Howey, 2nd Cheyenne VanHooser, 3rd Robbie Dubke. 7 and 8 year olds; 1st Zachery Schlarb, 2nd Wyatt Smerka, 3rd Miranda Casias. 9 and 10 year olds; 1st Robert Curiston, 2nd Cal Jesko, 3rd Nicole Quartz.

EDITORS NOTE: There were so many wonderful photos taken that day and there was not enough space in the paper to publish them all at one time. We will be randomly publishing these additional photos throughout the year.

State Representative Holds Town Meeting in the Township

BY MARGARET E. O'KELLEY

On Monday April 14th, Representative Kathleen Law held her first Town Hall meeting in our Township. The meeting was held at the high school auditorium and about 60 citizens attended. Several organizations that support environmental issues also attended as well as several politicians or their representatives.

Also in attendance was State Representative Paul Gielegem who shared in the presentation remarks as well State Representative Hopgood.

Law advised the audience that enough Canadian Trash comes in the state to fill the Joe Lewis Arena every two weeks. She went on to say that she remained concerned about the type of trash that is being brought in and urged all of the citizens to write their political leaders and express their opposition.

She spoke in general about the growth of landfills in our state. She warned that all landfills leak and warned about the dangers to our groundwater.

She spoke about the efforts of our state to pass legislation to make it more difficult for Canadian and neighboring states to move their trash to our landfills. These remarks were a lead in for the remarks made by Representative Gielegem. He spoke about two bills pending in Lansing.

He talked about the house bill to prohibit the import of trash of any area that does not have the same stringent rules that the State of Michigan has. He also said another bill would prohibit bottles and cans that are subject to the bottle deposit law. He admit-

ted these laws did not provide a long-range solution to the problem of out of state or Canadian trash but he expressed hope that Congress would do their part to improve the situation.

He concluded the main part of his remarks when he said he wanted to keep Michigan

State Representative Kathleen Law speaking at the recent Town Hall meeting, the first in Huron Township.

the Great Lakes State and not turn it into the Great Waste State.

A representative of the DEQ (Dept. of Environmental Quality) said his department took no position on the pending bills but said the department's responsibility was to enforce the law.

A representative from the County Executive's office talked about the county's efforts to pass an ordinance similar to the pending state legislation. The ordinance would regulate trash that comes from other counties into Wayne County.

A representative from the

Ecology Center, a statewide organization, spoke very eloquently about their concern for the environment. He said they have been working on the issue for the last six years and criticized the past governor and the DEQ for their hostile actions toward the environment. He said the State of Michigan was too friendly to the trash business.

A member of the Sierra Club told the audience that the county had about 90 years of capacity in their current landfills yet the trash business wanted to further expand the landfills.

Several residents of the Will-Carleton Road area spoke and told the citizens about the trash and dirt that soils their front yards and mailboxes. They spoke of the landfill in Sumpter and their failure to clean up the area. Several spoke about their health concerns. One resident said the most damage to the area was done not when the trucks were coming in but when they were leaving. Lynette

Guzman, who helped organize the meeting, echoed many of her neighbor's concerns.

Trustee Adkins and Trustee O'Kelley attended the meeting and Adkins welcomed the officials to our Township and told them of the efforts of the Township Board on the subject of Canadian trash. She also told the audience about the Board's united effort to stop the expansion of the ash landfill in the township.

The meeting ended with general agreement that the citizens would like to hold

another similar meeting soon and to get the word out about the problem.

Flat Rock High School Earns School Improvement Honor

The North Central Association of Colleges and Schools (NCA) announced today that Flat Rock High School, Flat Rock Community Schools, was awarded school improvement honors. Flat Rock High School was among the Michigan schools honored this March for completing a five-year, eight-phase improvement process.

In addition to meeting the traditional accreditation standards (teacher preparation, number of instructional hours, etc.) Flat Rock High School has adopted a school improvement approach that requires a new level of accountability. Administrators and staff make a commitment to implement a plan of continuous effort to improve student performance in selected areas.

The documentation of results throughout this demanding improvement cycle reveals the effectiveness of the plan.

A vital component to the overall evaluation process is peer review. Flat Rock High School has been successful in demonstrating to the visiting peer review team that students are indeed performing better in the selected target areas than they were before the process was implemented.

"The NCA school improvement process demands more of schools than any other change process," said Michigan NCA State Director, Mr. Michael Bugenski. "Schools must document that their efforts improved achievement for all students. I congratulate Flat Rock High School for voluntarily pursu-

ing this highly accountable approach."

The report from the final visit of the peer review team resulted in a recommendation of Flat Rock High School for endorsement to the Michigan NCA State Committee. This committee, which is elected by the membership of the Michigan North Central Association, reviewed the documentation both from the school and the team. Upon their approval, the North Central Association of Colleges and School, Commission on Accreditation and School Improvement, awarded Flat Rock High School this school improvement honor. There are now one third of the approximately 1,600 NCA accredited schools in Michigan, which have completed the entire process successfully.

Airport Community Schools Accepting Registrations for Fall Preschoolers

Fall Preschool Offers Two Programs

Preschool Programs for Fall 2003

Airport Community School's offer two preschool programs: Airport Readiness Preschool and Community Education Preschool. Both are taught by certified childhood teachers and are approved by the Michigan Family Independence Agency. These programs focus on kindergarten readiness, using an early childhood educational system.

The instructors use structured play time to promote physical, social, and intellectual growth. Children learn through experimentation and use of their five senses. Educational activity centers create opportunities for students to grow creatively. The children are included in school-wide services and activities that make learning

an adventure. Both programs are limited to children who will be four years old by December 1, 2003. Classes start after Labor Day and run through the middle of May. All age-eligible preschool children are encouraged to be screened for proper preschool placement. (See below for screening details.)

Airport Readiness Preschool: This state-funded program meets four half-days each week, Monday through Thursday.

Transportation is provided and students are selected through a screening process based on risk factors established by the State. Academic need is not necessarily a factor.

For preschool opportunities, call Cheryl Marlow at 654-3003 between 8:30 a.m. - 3:00 p.m. to make a screening appointment. The screening will be conducted June 2nd

and 3rd at Eyler Elementary between the hours of 9:00 a.m. - 3:00 p.m.

Community Education Preschool Registration Fall 2003 Sign-Up:

Community Education offers three preschool sessions:

Monday/Wednesday/Friday mornings, Tuesday/Thursday mornings and Monday-Thursday afternoons.

Morning sessions are 8:35 a.m. until 11:15 a.m. Afternoon sessions run 12:20 p.m. - 3:00 p.m. The fee for the two-day session is \$63 per month, three-day session is \$84 and the four-day session is \$106. At the time of registration there is a \$20 registration fee.

Your Cosmic Look For The Week Of April 24th — April 30th

For entertainment only!

Taurus April 21 - May 21

Bull is in the sun but be careful where you spread it. Unfortunate days wane. One into another. Look for brighter times ahead. Family smiles make you laugh. Don't eat all their Easter candy!!!! 0003

Gemini May 22 - June 21

You feel torn between diet and candy, candy and diet. No one but you knows the truth about what lies may do to your future. People from past need to be put past. Is a bull slowing you down? 2229

Cancer June 22 - July 23

Bull finds way into your life but unpleasant days result. At work or at home depends on your perception and need. Keep children's candy from your mouth. May be too late to lose those extra pounds? 3444

Leo July 24 - Aug 23

No candy in your house, but plenty of bull and no lion. Basic instincts tell you to keep quietly to yourself and time proves you right. Take notice of changes on the horizon but make no changes yourself. 3009

Virgo Aug 24 - Sept 23

Knocking on wood will not bring out the luck you hope for. You have hurt a twin and the other will not forgive. Not even a fish will swim upstream with you. No bull, you find yourself all alone. 0000

Libra Sept 24 - Oct 23

Singing in the rain only brings head cold. Flowers can be found at local business. Stop whining because you didn't get candy last week. A bull shines on you but are you ready for that charge? 2345

Scorpio Oct 24 - Nov 22

Broken heart will mend. Smile needed for bull now. Keep children out of adult candy. Seek shelter from harm but fear not what the future holds. Home feels good this year. Wonder why? 9002

Sagittarius Nov 23 - Dec 21

Broken bones and mind caused by unhealthy life choices. Take walk with a bull. Stay away from crabs. Keep peace in family by sharing stashed candy but encourage one who doesn't need it. 1100

Capricorn Dec 22 - Jan 20

Bull what? Now keep opinions to yourself!!!! Ask spouse for favors but don't expect a ram to reply as you wish. You sense evil just in time to prevent dangerous outcome. Spend with care. 2209

Aquarius Jan 21 - Feb 19

Home sweet home. No bull in that statement. Scorpio shares your sentiment and you wonder why you left. Gemini may remind you. Plan trip north shortly after short visit with Capricorn. 3333

Horoscopes

William Grover

Pisces Feb 20 - Mar 20

Swim with fellow fishies to feel friendship. Share thoughts of happy times with Gemini but tune out the bull. Remember who is in charge for once and make others take heed to your needs. 2878

Aries Mar 21 - April 20

Happiness finds you right where you want to be but one must get up and at 'em sometime. Remember bulls are full of bull even when in full sun. This too shall pass in due time. Eat candy, gain weight, be happy. 0222

I hope that you have been enjoying the recipes this month. It really is a challenge to create low fat/low calorie recipes that delight the taste buds, but I love a challenge.

If you have any comments or questions, please contact me at the Huron River Weekly-Al Fresco, P.O. Box 472, New Boston, MI 48164. Ph. 734-753-4416, Fax. 734-753-417.

Local Student Takes Second Place in Statewide Arson Poster Contest

Jenny Morgan, grade 7, won second place in a statewide poster contest! The contest was sponsored by the Michigan Chapter of the International Association of Arson Investigators and the Michigan Arson Prevention Committee.

The posters were to emphasize the negative aspect of arson, such as deaths, injuries, moral decay, property destruction, etc.

Jenny's poster featured burning buildings with an ambulance parked out front, and was done in markers on

poster board. Her talent has earned her \$150, with another \$150 being awarded to the Simpson art department for art supplies. Ms. Morgan will be honored at an awards banquet at Weber's Inn in Ann Arbor on May 6th.
